

THE SOURCE A LOS VIÑATEROS BRAVOS ITATA VALLEY

2021 PAÍS GRANÍTICO

PRODUCER OVERVIEW

Leo Erazo's Los Viñateros Bravos and his eponymous label wines come from the Guarilhue area of Chile's Itata Valley, the first settlement of Spanish Conquistadors in the 16th century who brought their own vines. Dominated by ancient pink/orange granite dating from the Cretaceous period and younger volcanic soils, the minimalist and naturalist, Leonardo Erazo, practices organic, biodynamic, and dry farming with the own-rooted, ancient 150-300-year-old País bush vines. All the wines are vinified with spontaneous fermentations in concrete (eggs, spheres, and more), amphoras, large wood vats and food-grade polymer containers, and they're pressed in a vertical, wooden press.
