

## La Parcelle

### 2018 La Connigis

Varietal(s) 100% Pinot Meunier - Zero dosage

Region Champagne, France

#### Short Summary

**Terroir** Connigis is Stéphanie and Julien's second and, so far, latest acquisition. Luckily, it has never been touched by chemical treatments and has been thriving since they bought it in 2016. The subsoil consists of hard limestone, chalk and marne, and has deeper clay topsoil throughout compared to its counterpart, La Capella. It is protected by natural borders and therefore benefits from more temperate conditions, resulting in a wine that shows more opulence and roundness upfront. After about thirty minutes open, the palate begins to show a fine sea-spray salinity that balances out ripe orchard fruit aromas, keeping this wine straight and delicate.

#### Cellar Notes

Farming Sustainable—Organic Certified—Biodynamic Certified—Uncertified Naturalist
