THE SOURCE

Rodolphe Demougeot

2017 Bourgogne Blanc

Varietal(s)	Chardonnay
Region	Burgundy, France
Short Summary	
Terroir	This wine is sourced from a vineyard within the Meursault commune directly below Meursault “Le Limozin,” a village vineyard surrounded by top flight 1er Crus on three sides. Despite a vibration and body and texture of top 1er Cru on the right bank of the Serein, in Chablis, there is no doubt of the origin of this wine replete with aromas of citrus curd, nuts, flowers and minerals that speak the dialect of Meursault. As it is with his Bourgogne Rouge, Rodolphe consistently overshoots the pedigree of “Bourgogne” with this wine; to use the term “baby Meursault,” would not be a stretch.
Cellar Notes	The Chardonnay grapes are whole cluster pressed and the juice settled overnight before racking to barrel for a naturally occurring fermentation.
