2023 GRÜNER VELTLINER, 'SUPERIN' FEDERSPIEL

PRODUCER OVERVIEW

Fifth generation winegrower, Martin Mittelbach runs Tegernseerhof, a winery that dates back to 1176. The Wachau is a climatic tug-of-war between eastern Pannonian warm winds and cold western and northern winds. Organically certified in the early 2020s, Tegernseerhof's vineyards are mostly located in the Wachau's eastern end on gneiss and loess. Martin's razor-sharp wines are aged exclusively in steel.

VINEYARD DETAILS

Tegernseerhof's Grüner Veltliner "Superin" comes from a single parcel planted at 200 meters altitude on a relatively flat site next to the Danube and the ancient Dürnstein village. The bedrock is gneiss with a mix of loess, river deposits, and gneiss topsoil.

CELLAR NOTES

Hand harvest, rigorous sorting, no botrytis, natural ferment in stainless.
