

Arnaud Lambert

2021 Saumur Rouge, 'Clos Tue-Loup'

Varietal(s)	Cabernet Franc
Region	Loire Valley, France
Short Summary	Arnaud Lambert established his eponymous domaine in 2017 with the merger of his family's Domaine de Saint-Just and the rented parcels from Château de Brézé. He farms more than 40 hectares of organic vineyards in Saumur's continental climate with unusually dry conditions due to the rain shadow effect of the Massif Armorican. In this part of the "Anjou Blanc," the vineyards are on tuffeau limestone bedrock with topsoil variations of clay and sand. Still wines from Chenin Blanc and Cabernet Franc are vinified and aged in variations of steel, concrete, and small and large wooden vats without added sulfites until bottling.
Terroir	Continental climate with light precipitation due to the rain shadow effect of the Massif Armorican located toward the west. Winters are mild and summers can be dry and these days quite hot, depending on the year. Most of the vineyards are on tuffeau limestone bedrock with topsoil composition of sedimentary and alluvial depositions of varying levels of clay and sand, and topsoil depth.
Cellar Notes	Vinified completely destemmed in concrete tanks with 2/3 of short maceration for 8-10 days (first 3-4 days, twice per day, then once per day), 1/3 with three weeks with infusion extraction (after first 3 days no more extractions). Maximum of 24°C fermentation temperature. Sulfites added only at bottling.
Farming	Sustainable—Organic Certified—Biodynamic Certified—Uncertified Naturalist
Alcohol %	13-13.5
Total SO2	None Added—Very Low—Low—Medium—High
