2023 GRÜNER VELTLINER, DÜRNSTEIN, FEDERSPIEL

PRODUCER OVERVIEW

Fifth generation winegrower, Martin Mittelbach runs Tegernseerhof, a winery that dates back to 1176. The Wachau is a climatic tug-of-war between eastern Pannonian warm winds and cold western and northern winds. Organically certified in the early 2020s, Tegernseerhof's vineyards are mostly located in the Wachau's eastern end on gneiss and loess. Martin's razor-sharp wines are aged exclusively in steel.

VINEYARD DETAILS

Tegernseerhof's Dürnstein Grüner Veltliner is a mix of many different parcels low on the terraced slopes and on loess plateaus next to the Danube between 200-280m. The bedrock and topsoil are primarily loess and river alluvium.

CELLAR NOTES

Hand harvest, rigorous sorting, no botrytis, natural ferment in stainless.
