

THE SOURCE KATHARINA WECHSLER RHEINHESSEN

2021 RIESLING SCHWEIBTRÖPFCHEN

PRODUCER OVERVIEW

Katharina Wechsler's enviable and organically certified Rheinhessen holdings are in what may be today's most famous dry Riesling area (mostly thanks to local luminaries, Klaus-Peter Keller and Philipp Wittman), with highlights that include a big slab of the grand cru vineyard, Kirchspiel, and perhaps the most coveted of all recognized grand crus, Morstein. Located between these two extraordinary limestone vineyards, the upper section of another important cru, Benn, is also strongly calcareous and planted to Riesling. Many of the lower slopes are a patchwork of different varieties from which she concocts a range of fun yet serious "natural wines," like her savory orange, full-carbonic Pinot Noir, bottle under her "Cloudy by Nature" label. The highlights in her fully organic range are of course the dry Rieslings raised in steel and imbued with ornate lines and a deep terroir drive. Katharina's dry Rieslings challenge the greats of Germany and Austria's very best growers with their vigor, tension, high energy, potent mineral characteristics, and salty, mouth-watering goodness.

VINEYARD DETAILS

Wechsler's Schweisströpfchen Riesling comes from a parcel in Kirchspiel planted in 2006 on a east/southeast exposition at 180m on a gentle slope. The bedrock and topsoil are limestone marl, calcareous clays and loess.

CELLAR NOTES

Directly pressed without extended skin maceration and naturally fermented for 14 days in steel at 21°C max. No malolactic. Aged on lees 6 months in steel. First sulfites are normally added to stop the fermentation. Filtered but not fined.
