

# THE SOURCE BIEN DE ALTURA CANARY ISLANDS

## 2022 IKEWEN, TINTO

### PRODUCER OVERVIEW

Raised by his mother and grandmother, Carmelo inherited from them a big heart, warmth and charm, along with the inner-city energy and hustle of Las Palmas de Gran Canaria, an industrial port crunched between the sleeping volcano and Atlantic crammed with half a million locals and four million tourists each year. He returned home in 2017 to begin Bien de Altura after traveling the world working in cellars and vineyards. Listán Negro is the dominant grape in Carmelo's range, and results in more elegant wines with a fresher fruit profile. In this arid climate with an average annual rainfall of only 134 cm (5.3 inches) and at some of the wine world's highest altitudes, from 1,100-1,460 meters (3,600-4,800 feet), on mostly east-facing sites on extremely steep orange volcanic sand, silt, clay, and rocky topsoil, he crafts a series of wines with a global cult following. The cellar practices are intendedly low tech and made with minimal sulfites, whole bunch fermentations, extended macerations and neutral aging vessels.

### VINEYARD DETAILS

Ikewen comes from 7 own-rooted parcels on the NE side of Gran Canaria planted forty years ago (2024) with 85% Listan Negro and 15% other native grapes on a mix of steep to extremely steep slopes with eastern exposures at 1100-1460m on volcanic bedrock and sand, silt, clay, and rocky red topsoil.

### CELLAR NOTES

100% whole-bunch, 5-week natural fermentation/maceration in steel without extractions. Aged one year in 85% in steel and 15% in 225-500L old French oak and neither fined nor filtered.
