## 2021 MIX BLANCO

### PRODUCER OVERVIEW

A native of Galicia, Gutier Seijo Otero developed his own project, Mix and Mixtura, in 2019 after nearly a decade at the helm of the historical Ribeira Sacra winery, Dominio do Bibei. Though his winery is in Ribeiro, the project is focused on recovering historical vineyards and native grape varieties in northwestern Spain and Portugal along the Miño and Sil rivers. His wines disregard traditional political boundaries and are labeled without appellation and variety. The project is rooted in a deep respect for the land and culture, using minimal intervention and native yeasts, with Mix largely vinified and aged in small old French oak and Tava amphoras, and Mixtura in concrete eggs and Stockinger barrels.

### VINEYARD DETAILS

Mixtura Blanco comes from vines planted between 1980-2000 at 250-350m with different expositions on medium-sloped sites. It's composed of 50% Treixadura from Spain's Ribeiro on granite bedrock topsoil, and 50% Albariño from Portugal's Melgaço on decomposed granite with a silty topsoil.

### CELLAR NOTES

Natural fermentation for 60 days in 25hl Austrian oak foudre at 20°C max. where it continues aging on lees for 12 months and another 11 months in 25-hl concrete tank. No malolactic fermentation with no fining or filtration. Total sulfites added 65 mg/L.
