2022 LATRICIÈRES-CHAMBERTIN, GRAND CRU

PRODUCER OVERVIEW

David Duband took over the family domaine (founded in 1963) in 1991. His most evident adaptations over the years have been the conversion of all his vineyards to organic practices in 2006, the inclusion of healthy doses of whole bunches to all classifications of his wine (Bourgogne to Grand Cru), and minimal additions of sulfites. Duband's stable of wines comes from twenty-three prestigious appellations from Gevrey-Chambertin to Nuits-Saint-Georges, including six grand crus. David's wines, from a mix of vines aged 25-100 years old, clearly demonstrate the subtle differences amongst parcels, further revealing each unique nuance of the year and terroir.

VINEYARD DETAILS

Duband's Grand Cru Latricières-Chambertin (located ~15 vine rows south of Chambertin) comes from 65-year-old vines (2023) on a gentle slope with an east exposition at 280-300m on limestone bedrock and shallow (~10-20cm), rocky brown clay topsoil.

CELLAR NOTES

80-100% stem inclusion with 5-7 gentle punch downs by feet in total over 15-18-day natural yeast fermentation, then pressed & settled in vat for 2-3 weeks to clarify before 14 months in 50% new French oak and 50% old. No fining or filtration.
