

THE SOURCE

Arnaud Lambert Cremant de Loire, Blanc

Varietal(s)	100% Chenin Blanc
Region	Loire Valley, France
Short Summary	
Terroir	<p>Continental climate with light precipitation due to the rain shadow of the Massif Armorican located toward the west. Winters are mild and summers can be dry and these days quite hot, depending on the year. Most of the vineyards are on tuffeau limestone bedrock with topsoil composition of sedimentary and alluvial depositions with varying levels of clay and sand, and topsoil depth.</p> <p>Grapes come from Saint-Cyr and Brézé. Starting in 2020 grapes will come exclusively from Brézé.</p>
Cellar Notes	Whole cluster pressed for four hours, no sulfites initially.
Farming	<p>Sustainable—Organic Certified—Biodynamic Certified—Uncertified Naturalist</p> <p>Organic culture for many years, but in conversion to organic.</p>
Alcohol %	13-13.5
Total SO2	None Added—Very Low—Low—Medium—High
