

Arnaud Lambert Cremant de Loire, Blanc

Varietal(s)	100% Chenin Blanc
Region	Loire Valley, France
Short Summary	Arnaud Lambert established his eponymous domaine in 2017 with the merger of his family's Domaine de Saint-Just and the rented parcels from Château de Brézé. He farms more than 40 hectares of organic vineyards in Saumur's continental climate with unusually dry conditions due to the rain shadow effect of the Massif Armoricain. In this part of the "Anjou Blanc," the vineyards are on tuffeau limestone bedrock with topsoil variations of clay and sand. Still wines from Chenin Blanc and Cabernet Franc are vinified and aged in variations of steel, concrete, and small and large wooden vats without added sulfites until bottling.
Terroir	<p>Continental climate with light precipitation due to the rain shadow of the Massif Armoricain located toward the west. Winters are mild and summers can be dry and these days quite hot, depending on the year. Most of the vineyards are on tuffeau limestone bedrock with topsoil composition of sedimentary and alluvial depositions with varying levels of clay and sand, and topsoil depth.</p> <p>Grapes come from Saint-Cyr and Brézé. Starting in 2020 grapes will come exclusively from Brézé.</p>
Cellar Notes	Whole cluster pressed for four hours, no sulfites initially.
Farming	Sustainable—Organic Certified—Biodynamic Certified—Uncertified Naturalist Organic culture for many years, but in conversion to organic.
Alcohol %	13-13.5
Total SO2	None Added—Very Low—Low—Medium—High
